

ELECTION ASKS

I will vote for candidates in the 2024 election who ***speak up for leisure-time music makers*** on these issues:

MAKE SPACE FOR MUSIC...

Leisure-time music groups positively impact the health and prosperity of their communities. We ask our representatives to protect our existing community spaces to enable successful music-making across the UK

ADD 'VOICE' TO ORCHESTRA TAX RELIEF...

Community instrumental ensembles can claim back **45% Orchestra Tax Relief** on performances to reinvest in their activities. We ask that HMRC include 'voice' as an instrument to Orchestra Tax Relief – so choirs can claim this benefit as well

Making Music is the UK's membership organisation for leisure-time music, with over 4,000 groups in membership, representing over 230,000 music makers across the UK.
