

# How to use the Making Music Logo

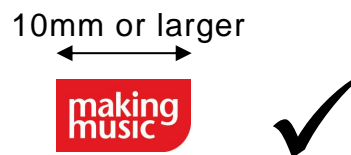

Your seven step guide to including the Making Music logo in your publicity.

Making Music is the voice of leisure-time music making. To help make our voice stronger we ask members to use our logo wherever possible on their publicity.

**STEP 1.** There are two versions of the logo. Depending on the space available please use either the logo with or without the strapline.

**STEP 2.** Adjust size as required, bearing in mind the minimum sizing. EPS files (for print) can be enlarged, JPG and PNG files (for digital) can't be enlarged beyond the size supplied.

**STEP 3.** The background of the logo should match that of your publicity. Use EPS (for print) or PNG (for digital) files to allow your background to show.

**STEP 4.** Position the logo with 2 units clear space around each side as shown below.

**STEP 5.** If you are not able to use the red logo then please use the black logo.

**STEP 6.** If you have any queries at all please contact Making Music directly on 020 7939 6030 or [info@makingmusic.org.uk](mailto:info@makingmusic.org.uk)

Logos are available as EPS, JPG and PNG files from [www.makingmusic.org.uk/press](http://www.makingmusic.org.uk/press). Additional file types and sizes are available on request.

**STEP 7.** We would be grateful if you could post any samples of your publicity to Making Music at the address below.
